

Bangladesh Delta Bulletin 14

This quarterly newsletter contains short messages, news and announcements, with the objective to share knowledge and experience related to adaptive delta management and the implementation of the Bangladesh Delta Plan. Initiated by Delta Alliance, DA actively cooperates with JCP, Delta Forum, DRI and UDW-Planning Toolkit and **welcomes other contributions**.

In this 5th bulletin of year 4 you will find messages about various recent events and trainings and news on recent papers.

Thanks to all who contributed to this bulletin!

1. Delta Knowledge Days, 2022

Interesting "Delta Knowledge Days (DKD)" were organized by JCP on September 17th and 18th, sharing important knowledge and insights. Over 250 people attended the program. For the report, please [click here](#).

2. WATERAPPscale success story

Farmers can use weather info successfully ([link](#)). A video story summarizes the KU/WUR Waterapps project outcomes ([video link](#)). Also covered (in Bangla) in Prothom-Alo newspaper ([link](#)).

3. Climate Crisis and Women photo exhibition

Photo exhibition advocating increased attention on upholding the rights of women and girls during disasters in Bangladesh. For more detail, please [click here](#).

4. Successful training program on Environmental Impact Assessment (EIA)

The Institute of Water Modelling (IWM) organized a 05-day training on Environmental Impact Assessment (EIA) during 13-17 November 2022 at IWM Bhaban. For more details, please [click here](#).

5. Developing a nature-based future for the delta of Bangladesh

Launched at COP 27 by Saber Hossain Chowdhury, MP ([link](#)) WUR 2023 Nature-based Future Challenge. Student teams, from all over the world, will develop a nature-inclusive future vision for the Ganges-Brahmaputra-Meghna Delta in Bangladesh. Find out more about this [here](#).

Year 4, No 5, December 2022
